 5 thority for achieving the objectives set out under sub-  
 6 section (c). The report may include any recommendations  
 7 for legislation that the Secretary considers appropriate to  
 8 enhance the capability of the Department of Defense to  
 9 attain those objectives.

10       “(2) A biennial report under this subsection may be  
 11 combined with the biennial report under section 1798(d)  
 12 of this title into one report for submission to Congress.”.

13       (2) The table of sections at the beginning of such sub-  
 14 chapter is amended by striking the item relating to section

“1800. Definitions.”.

 20 fiscal years 2000 and 2001.

12       (6) Each member of the task force shall serve without  
13 compensation (other than the compensation to which enti-  
14 tled as a member of the Armed Forces or an officer or  
15 employee of the United States, as the case may be), but  
16 shall be allowed travel expenses, including per diem in lieu  
17 of subsistence, at rates authorized for employees of agen-  
18 cies under subchapter I of chapter 57 of title 5, United

6 on a rotating basis.

7 (8) The Secretary of the military department con-  
8 cerned shall—

9 (A) coordinate visits of the task force to mili-

15 (9) The task force shall terminate three years after  
16 the date on which all members of the task force are ap-

18 (b) UNIFORM RESPONSES.—Not later than six

20 subsection (a)(2)(A), the Secretary of Defense shall, in  
21 consultation with the task force, prescribe the following:

22 (1) Standard formats for memorandums of  
23 agreement or understanding to be used by the Secre-

3 (2) A requirement for a commanding officer of

8 order.

9 (3) Standard guidance on the factors for com-

2 matters:

5 Armed Forces, or a family advocacy program of the  
6 Department of Defense.

7 (B) The number of the cases that involve evi-  
8 dence determined sufficient for supporting discipli-  
9 nary action and, for each such case, a description of

12 (C) The number of the cases that involve evi-

15 the allegation.

16 (3) The Secretary shall submit to Congress an annual  
17 report on the data submitted to the central database es-  
18 tablished under paragraph (1).

19 **SEC. 582. POSTHUMOUS ADVANCEMENT OF REAR ADMIRAL**  
20 **(RETIRED) HUSBAND E. KIMMEL AND MAJOR**  
21 **GENERAL (RETIRED) WALTER C. SHORT ON**  
22 **RETIRED LISTS.**

23 (a) FINDINGS.—Congress makes the following find-  
24 ings:

1           (1) The late Rear Admiral (retired) Husband  
2           E. Kimmel, formerly serving in the grade of admiral  
3           as the Commander in Chief of the United States  
4           Fleet and the Commander in Chief, United States  
5           Pacific Fleet, had an excellent and unassailable  
6           record throughout his career in the United States  
7           Navy prior to the December 7, 1941 attack on Pearl  
8           Harbor.

9           (2) The late Major General (retired) Walter C.  
10          Short, formerly serving in the grade of lieutenant  
11          general as the Commander of the United States  
12          Army Hawaiian Department, had an excellent and  
13          unassailable record throughout his career in the  
14          United States Army prior to the December 7, 1941  
15          attack on Pearl Harbor.

16          (3) Numerous investigations following the at-  
17          tack on Pearl Harbor have documented that then  
18          Admiral Kimmel and then Lieutenant General Short  
19          were not provided necessary and critical intelligence  
20          that was available, that foretold of war with Japan,  
21          that warned of imminent attack, and that would  
22          have alerted them to prepare for the attack, includ-  
23          ing such essential communiques as the Japanese  
24          Pearl Harbor Bomb Plot message of September 24,  
25          1941, and the message sent from the Imperial Japa-

1 nese Foreign Ministry to the Japanese Ambassador  
2 in the United States from December 6–7, 1941,  
3 known as the Fourteen-Part Message.

4 (4) On December 16, 1941, Admiral Kimmel  
5 and Lieutenant General Short were relieved of their  
6 commands and returned to their permanent ranks of  
7 rear admiral and major general.

8 (5) Admiral William Harrison Standley, who  
9 served as a member of the investigating commission  
10 known as the Roberts Commission that accused Ad-  
11 miral Kimmel and Lieutenant General Short of  
12 “dereliction of duty” only six weeks after the attack  
13 on Pearl Harbor, later disavowed the report main-  
14 taining that “these two officers were martyred” and  
15 “if they had been brought to trial, both would have  
16 been cleared of the charge”.

17 (6) On October 19, 1944, a Naval Court of  
18 Inquiry—

19 (A) exonerated Admiral Kimmel on the  
20 grounds that his military decisions and the dis-  
21 position of his forces at the time of the Decem-  
22 ber 7, 1941 attack on Pearl Harbor were prop-  
23 er “by virtue of the information that Admiral  
24 Kimmel had at hand which indicated neither

1 the probability nor the imminence of an air at-  
2 tack on Pearl Harbor”;

3 (B) criticized the higher command for not  
4 sharing with Admiral Kimmel “during the very  
5 critical period of 26 November to 7 December  
6 1941, important information . . . regarding the  
7 Japanese situation”; and

8 (C) concluded that the Japanese attack  
9 and its outcome was attributable to no serious  
10 fault on the part of anyone in the naval service.

11 (7) On June 15, 1944, an investigation con-  
12 ducted by Admiral T. C. Hart at the direction of the  
13 Secretary of the Navy produced evidence, subse-  
14 quently confirmed, that essential intelligence con-  
15 cerning Japanese intentions and war plans was  
16 available in Washington but was not shared with Ad-  
17 miral Kimmel.

18 (8) On October 20, 1944, the Army Pearl Har-  
19 bor Board of Investigation determined that—

20 (A) Lieutenant General Short had not  
21 been kept “fully advised of the growing tense-  
22 ness of the Japanese situation which indicated  
23 an increasing necessity for better preparation  
24 for war”;

1 (B) detailed information and intelligence  
2 about Japanese intentions and war plans were  
3 available in “abundance”, but were not shared  
4 with Lieutenant General Short’s Hawaii com-  
5 mand; and

6 (C) Lieutenant General Short was not pro-  
7 vided “on the evening of December 6th and the  
8 early morning of December 7th, the critical in-  
9 formation indicating an almost immediate break  
10 with Japan, though there was ample time to  
11 have accomplished this”.

12 (9) The reports by both the Naval Court of In-  
13 quiry and the Army Pearl Harbor Board of Inves-  
14 tigation were kept secret, and Rear Admiral (re-  
15 tired) Kimmel and Major General (retired) Short  
16 were denied their requests to defend themselves  
17 through trial by court-martial.

18 (10) The joint committee of Congress that was  
19 established to investigate the conduct of Admiral  
20 Kimmel and Lieutenant General Short completed, on  
21 May 31, 1946, a 1,075-page report which included  
22 the conclusions of the committee that the two offi-  
23 cers had not been guilty of dereliction of duty.

24 (11) The Officer Personnel Act of 1947, in es-  
25 tablishing a promotion system for the Navy and the

1 Army, provided a legal basis for the President to  
2 honor any officer of the Armed Forces of the United  
3 States who served his country as a senior com-  
4 mander during World War II with a placement of  
5 that officer, with the advice and consent of the Sen-  
6 ate, on the retired list with the highest grade held  
7 while on the active duty list.

8 (12) On April 27, 1954, the then Chief of  
9 Naval Personnel, Admiral J. L. Holloway, Jr., rec-  
10 ommended that Rear Admiral Kimmel be advanced  
11 in rank in accordance with the provisions of the Of-  
12 ficer Personnel Act of 1947.

13 (13) On November 13, 1991, a majority of the  
14 members of the Board for the Correction of Military  
15 Records of the Department of the Army found that  
16 the late Major General (retired) Short “was unjustly  
17 held responsible for the Pearl Harbor disaster” and  
18 that “it would be equitable and just” to advance him  
19 to the rank of lieutenant general on the retired list”.

20 (14) In October 1994, the then Chief of Naval  
21 Operations, Admiral Carlisle Trost, withdrew his  
22 1988 recommendation against the advancement of  
23 Rear Admiral (retired) Kimmel (by then deceased)  
24 and recommended that the case of Rear Admiral  
25 Kimmel be reopened.

1           (15) Although the Dorn Report, a report on the  
2       results of a Department of Defense study that was  
3       issued on December 15, 1995, did not provide sup-  
4       port for an advancement of the late Rear Admiral  
5       (retired) Kimmel or the late Major General (retired)  
6       Short in grade, it did set forth as a conclusion of the  
7       study that “responsibility for the Pearl Harbor dis-  
8       aster should not fall solely on the shoulders of Admi-  
9       ral Kimmel and Lieutenant General Short, it should  
10      be broadly shared”.

11           (16) The Dorn Report found—

12                   (A) that “Army and Navy officials in  
13       Washington were privy to intercepted Japanese  
14       diplomatic communications...which provided  
15       crucial confirmation of the imminence of war”;

16                   (B) that “the evidence of the handling of  
17       these messages in Washington reveals some in-  
18       eptitude, some unwarranted assumptions and  
19       misestimations, limited coordination, ambiguous  
20       language, and lack of clarification and follow-up  
21       at higher levels”; and

22                   (C) that “together, these characteristics re-  
23       sulted in failure...to appreciate fully and to  
24       convey to the commanders in Hawaii the sense

1           of focus and urgency that these intercepts  
2           should have engendered”.

3           (17) On July 21, 1997, Vice Admiral David C.  
4           Richardson (United States Navy, retired) responded  
5           to the Dorn Report with his own study which con-  
6           firmed findings of the Naval Court of Inquiry and  
7           the Army Pearl Harbor Board of Investigation and  
8           established, among other facts, that the war effort  
9           in 1941 was undermined by a restrictive intelligence  
10          distribution policy, and the degree to which the com-  
11          manders of the United States forces in Hawaii were  
12          not alerted about the impending attack on Hawaii  
13          was directly attributable to the withholding of intel-  
14          ligence from then Admiral Kimmel and Lieutenant  
15          General Short.

16          (18) Rear Admiral (retired) Kimmel and Major  
17          General (retired) Short are the only two officers eli-  
18          gible for advancement under the Officer Personnel  
19          Act of 1947 as senior World War II commanders  
20          who were excluded from the list of retired officers  
21          presented for advancement on the retired lists to  
22          their highest wartime ranks under that Act.

23          (19) This singular exclusion from advancement  
24          of Rear Admiral (retired) Kimmel and Major Gen-  
25          eral (retired) Short from the Navy retired list and

1 the Army retired list, respectively, serves only to  
2 perpetuate the myth that the senior commanders in  
3 Hawaii were derelict in their duty and responsible  
4 for the success of the attack on Pearl Harbor, and  
5 is a distinct and unacceptable expression of dishonor  
6 toward two of the finest officers who have served in  
7 the Armed Forces of the United States.

8 (20) Major General (retired) Walter Short died  
9 on September 23, 1949, and Rear Admiral (retired)  
10 Husband Kimmel died on May 14, 1968, without  
11 having been accorded the honor of being returned to  
12 their wartime ranks as were their fellow veterans of  
13 World War II.

14 (21) The Veterans of Foreign Wars, the Pearl  
15 Harbor Survivors Association, the Admiral Nimitz  
16 Foundation, the Naval Academy Alumni Association,  
17 the Retired Officers Association, the Pearl Harbor  
18 Commemorative Committee, and other associations  
19 and numerous retired military officers have called  
20 for the rehabilitation of the reputations and honor of  
21 the late Rear Admiral (retired) Kimmel and the late  
22 Major General (retired) Short through their post-  
23 humous advancement on the retired lists to their  
24 highest wartime grades.

1 (b) REQUEST FOR ADVANCEMENT ON RETIRED  
2 LISTS.—(1) The President is requested—

3 (A) to advance the late Rear Admiral (retired)  
4 Husband E. Kimmel to the grade of admiral on the  
5 retired list of the Navy; and

6 (B) to advance the late Major General (retired)  
7 Walter C. Short to the grade of lieutenant general  
8 on the retired list of the Army.

9 (2) Any advancement in grade on a retired list re-  
10 quested under paragraph (1) shall not increase or other-  
11 wise modify the compensation or benefits from the United  
12 States to which any person is now or may in the future  
13 be entitled based upon the military service of the officer  
14 advanced.

15 (c) SENSE OF CONGRESS.—It is the sense of Con-  
16 gress that—

17 (1) the late Rear Admiral (retired) Husband E.  
18 Kimmel performed his duties as Commander in  
19 Chief, United States Pacific Fleet, competently and  
20 professionally, and, therefore, the losses incurred by  
21 the United States in the attacks on the naval base  
22 at Pearl Harbor, Hawaii, and other targets on the  
23 island of Oahu, Hawaii, on December 7, 1941, were  
24 not a result of dereliction in the performance of  
25 those duties by the then Admiral Kimmel; and

1           (2) the late Major General (retired) Walter C.  
2       Short performed his duties as Commanding General,  
3       Hawaiian Department, competently and profes-  
4       sionally, and, therefore, the losses incurred by the  
5       United States in the attacks on Hickam Army Air  
6       Field and Schofield Barracks, Hawaii, and other  
7       targets on the island of Oahu, Hawaii, on December  
8       7, 1941, were not a result of dereliction in the per-  
9       formance of those duties by the then Lieutenant  
10      General Short.

11 **SEC. 583. EXIT SURVEY FOR SEPARATING MEMBERS.**

12      (a) REQUIREMENT.—The Secretary of Defense shall  
13   develop and carry out a survey on attitudes toward mili-  
14   tary service to be completed by members of the Armed  
15   Forces who voluntarily separate from the Armed Forces  
16   or transfer from a regular component to a reserve compo-  
17   nent during the period beginning on January 1, 2000, and  
18   ending on June 30, 2000, or such later date as the Sec-  
19   retary determines necessary in order to obtain enough sur-  
20   vey responses to provide a sufficient basis for meaningful  
21   analysis of survey results. Completion of the survey shall  
22   be required of such personnel as part of outprocessing ac-  
23   tivities. The Secretary of each military department shall  
24   suspend exit surveys and interviews of that department  
25   during the period described in the first sentence.

1 (b) SURVEY CONTENT.—The survey shall, at a min-  
2 imum, cover the following subjects:

3 (1) Reasons for leaving military service.

4 (2) Plans for activities after separation (such as  
5 enrollment in school, use of Montgomery GI Bill  
6 benefits, and work).

7 (3) Affiliation with a Reserve component, to-  
8 gether with the reasons for affiliating or not  
9 affiliating, as the case may be.

10 (4) Attitude toward pay and benefits for service  
11 in the Armed Forces.

12 (5) Extent of job satisfaction during service as  
13 a member of the Armed Forces.

14 (6) Such other matters as the Secretary deter-  
15 mines appropriate to the survey concerning reasons  
16 for choosing to separate from the Armed Forces.

17 (c) REPORT.—Not later than February 1, 2001, the  
18 Secretary shall submit to Congress a report containing the  
19 results of the surveys. The report shall include an analysis  
20 of the reasons why military personnel voluntarily separate  
21 from the Armed Forces and the post-separation plans of  
22 those personnel. The Secretary shall utilize the report's  
23 findings in crafting future responses to declining retention  
24 and recruitment.

1 **SEC. 584. ADMINISTRATION OF DEFENSE REFORM INITIA-**  
 2 **TIVE ENTERPRISE PROGRAM FOR MILITARY**  
 3 **MANPOWER AND PERSONNEL INFORMATION.**

4 (a) EXECUTIVE AGENT.—The Secretary of Defense  
 5 shall designate the Secretary of the Navy as the executive  
 6 agent for carrying out the defense reform initiative enter-  
 7 prise pilot program for military manpower and personnel  
 8 information established under section 8147 of the Depart-  
 9 ment of Defense Appropriations Act, 1999 (Public Law  
 10 105–262; 112 Stat. 2341; 10 U.S.C. 113 note).

11 (b) ACTION OFFICIALS.—In carrying out the pilot  
 12 program, the Secretary of the Navy shall act through the  
 13 head of the Systems Executive Office for Manpower and  
 14 Personnel, who shall act in coordination with the Under  
 15 Secretary of Defense for Personnel and Readiness and the  
 16 Chief Information Officer of the Department of Defense.

17 **TITLE VI—COMPENSATION AND**  
 18 **OTHER PERSONNEL BENEFITS**  
 19 **Subtitle A—Pay and Allowances**

20 **SEC. 601. FISCAL YEAR 2000 INCREASE AND RESTRUC-**

11 ses, including an assessment of technical or other  
12 vulnerabilities in Defense Department information  
13 and communications systems.

14 (E) A plan for conducting exercises, war games,

15      the depositions and interviews of witnesses as soon  
16      after the commission of the crime as possible;

17          (9) the indictment, arrest, and trial of war  
18      criminals would provide a significant deterrent to  
19      further atrocities;

20          (10) the ICTY has issued 14 international war-  
21      rants for war crimes suspects that have yet to be  
22      served, despite knowledge of the suspects' where-  
23      abouts;

1           (11) vigorous prosecution of war crimes after  
2           the conflict in Bosnia may have prevented the ongoing  
3           atrocities in Kosovo; and

4           (12) investigative reporters have identified specific  
5           documentary evidence implicating the Serbian  
6           leadership in the commission of war crimes.

7           (b) It is the sense of Congress that—

8           (1) the United States, in coordination with  
9           other United Nations contributors, should provide  
10          sufficient resources for an expeditious and thorough  
11          investigation of allegations of the atrocities and war  
12          crimes committed in Kosovo;

13          (2) the United States, through its intelligence  
14          services, should provide all possible cooperation in  
15          the gathering of evidence of sufficient specificity and  
16          credibility to secure the indictment of those responsible  
17          for the commission of war crimes, crimes  
18          against humanity, and genocide in the former Yugoslavia;  
19

20          (3) where evidence warrants, indictments for  
21          war crimes, crimes against humanity, and genocide  
22          should be issued against suspects regardless of their  
23          position within the Serbian leadership;

24          (4) the United States and all nations have an  
25          obligation to honor arrest warrants issued by the

1 ICTY, and the United States should use all appro-  
 2 priate means to apprehend war criminals already  
 3 under indictment; and

4 (5) NATO should not accept any diplomatic  
 5 resolution to the conflict in Kosovo that would bar  
 6 the indictment, apprehension, or prosecution of war  
 7 criminals for crimes committed during operations in  
 8 Kosovo.

24           ing to an act or threat of an act of terrorism, including  
25           an act of terrorism or threat of an act of terrorism that

16 assistance may include the repositioning of Department  
17 of Defense personnel, equipment, and supplies.

18 (c) REIMBURSEMENT.—(1) Assistance provided

21 law, the amounts of reimbursement shall be limited to the  
22 amounts of the incremental costs of providing the assist-  
23 ance. In extraordinary circumstances, the Secretary of De-  
24 fense may waive reimbursement upon determining that a  
25 waiver of the reimbursement is in the national security

1 interests of the United States and submitting to Congress  
2 a notification of the determination.

3 (2) If funds are appropriated for the Department of  
4 Justice to cover the costs of responding to an act or threat  
5 for which assistance is provided under subsection (a), the  
6 Department of Defense shall be reimbursed out of such  
7 funds for the costs incurred by the department in pro-  
8 viding the assistance without regard to whether the assist-  
9 ance was provided on a nonreimbursable basis.

10 (d) LIMITATION ON FUNDING.—Not more than  
11 \$10,000,000 may be obligated to provide assistance pursu-

18 rest, or other similar activity; or

19 (2) collect intelligence for law enforcement pur-  
20 poses.

21 (f) NONDELEGABILITY OF AUTHORITY.—(1) The  
22 Secretary of Defense may not delegate to any other official  
23 authority to make determinations and to authorize assist-

5 authority provided in this section is in addition to any  
6 other authority available to the Secretary of Defense.

7       (2) Nothing in this section shall be construed to re-

1 **SEC. 1068. SENSE OF THE CONGRESS REGARDING THE CON-**  
2 **TINUATION OF SANCTIONS AGAINST LIBYA.**

3 (a) FINDINGS.—Congress makes the following find-  
4 ings:

5 (1) On December 21, 1988, 270 people, includ-  
6 ing 189 United States citizens, were killed in a ter-  
7 rorist bombing on Pan Am Flight 103 over  
8 Lockerbie, Scotland.

9 (2) Britain and the United States indicted two  
10 Libyan intelligence agents, Abd al-Baset Ali al-  
11 Megrahi and Al-Amin Khalifah Fhimah, in 1991  
12 and sought their extradition from Libya to the  
13 United States or the United Kingdom to stand trial  
14 for this heinous terrorist act.

15 (3) The United Nations Security Council called  
16 for the extradition of the suspects in Security Coun-  
17 cil Resolution 731 and imposed sanctions on Libya  
18 in Security Council Resolutions 748 and 883 be-  
19 cause Libyan leader Colonel Muammar Qadhafi re-  
20 fused to transfer the suspects to either the United  
21 States or the United Kingdom to stand trial.

22 (4) The United Nations Security Council Reso-  
23 lutions 731, 748, and 883 demand that Libya cease  
24 all support for terrorism, turn over the two suspects,  
25 cooperate with the investigation and the trial, and  
26 address the issue of appropriate compensation.

1           (5) The sanctions in United Nations Security  
2 Council Resolutions 748 and 883 include—

3           (A) a worldwide ban on Libya's national  
4 airline;

5           (B) a ban on flights into and out of Libya  
6 by other nations' airlines; and

7           (C) a prohibition on supplying arms, air-  
8 plane parts, and certain oil equipment to Libya,  
9 and a blocking of Libyan Government funds in  
10 other countries.

11          (6) Colonel Muammar Qadhafi for many years  
12 refused to extradite the suspects to either the United  
13 States or the United Kingdom and had insisted that  
14 he would only transfer the suspects to a third and  
15 neutral country to stand trial.

16          (7) On August 24, 1998, the United States and  
17 the United Kingdom agreed to the proposal that  
18 Colonel Qadhafi transfer the suspects to The Neth-  
19 erlands, where they would stand trial under a Scot-  
20 tish court, under Scottish law, and with a panel of  
21 Scottish judges.

22          (8) The United Nations Security Council en-  
23 dorsed the United States-United Kingdom proposal  
24 on August 27, 1998 in United Nations Security  
25 Council Resolution 1192.

1           (9) The United States, consistent with United  
2 Nations Security Council resolutions, called on Libya  
3 to ensure the production of evidence, including the  
4 presence of witnesses before the court, and to com-  
5 ply fully with all the requirements of the United Na-  
6 tions Security Council resolutions.

7           (10) After years of intensive diplomacy, Colonel  
8 Qadhafi finally transferred the two Libyan suspects  
9 to The Netherlands on April 5, 1999, and the  
10 United Nations Security Council, in turn, suspended  
11 its sanctions against Libya that same day.

12           (11) Libya has only fulfilled one of four condi-  
13 tions (the transfer of the two suspects accused in the  
14 Lockerbie bombing) set forth in United Nations Se-  
15 curity Council Resolutions 731, 748, and 883 that  
16 would justify the lifting of United Nations Security  
17 Council sanctions against Libya.

18           (12) Libya has not fulfilled the other three con-  
19 ditions (cooperation with the Lockerbie investigation  
20 and trial; renunciation of and ending support for  
21 terrorism; and payment of appropriate compensa-  
22 tion) necessary to lift the United Nations Security  
23 Council sanctions.

24           (13) The United Nations Secretary General is  
25 expected to issue a report to the Security Council on

1 or before July 5, 1999, on the issue of Libya's com-  
2 pliance with the remaining conditions.

3 (14) Any member of the United Nations Secu-  
4 rity Council has the right to introduce a resolution  
5 to lift the sanctions against Libya after the United  
6 Nations Secretary General's report has been issued.

7 (15) The United States Government considers  
8 Libya a state sponsor of terrorism and the State De-  
9 partment Report, "Patterns of Global Terrorism;  
10 1998", stated that Colonel Qadhafi "continued pub-  
11 licly and privately to support Palestinian terrorist  
12 groups, including the PIJ and the PFLP-GC".

13 (16) United States Government sanctions  
14 (other than sanctions on food or medicine) should be  
15 maintained on Libya, and in accordance with United  
16 States law, the Secretary of State should keep Libya  
17 on the list of countries the governments of which  
18 have repeatedly provided support for acts of inter-  
19 national terrorism under section 6(j) of the Export  
20 Administration Act of 1979 in light of Libya's ongo-  
21 ing support for terrorist groups.

22 (b) SENSE OF CONGRESS.—It is the sense of Con-  
23 gress that the President should use all diplomatic means  
24 necessary, including the use of the United States veto at  
25 the United Nations Security Council, to prevent the Secu-

1 rity Council from lifting sanctions against Libya until  
2 Libya fulfills all of the conditions set forth in United Na-  
3 tions Security Council Resolutions 731, 748, and 883.

4 **SEC. 1069. INVESTIGATIONS OF VIOLATIONS OF EXPORT**  
5 **CONTROLS BY UNITED STATES SATELLITE**  
6 **MANUFACTURERS.**

7 (a) NOTICE TO CONGRESS OF INVESTIGATIONS.—  
8 The President shall promptly notify Congress whenever an  
9 investigation is undertaken of an alleged violation of  
10 United States export control laws in connection with a  
11 commercial satellite of United States origin.

12 (b) NOTICE TO CONGRESS OF CERTAIN EXPORT  
13 WAIVERS.—The President shall promptly notify Congress  
14 whenever an export waiver is granted on behalf of any  
15 United States person or firm that is the subject of an in-  
16 vestigation described in subsection (a). The notice shall  
17 include a justification for the waiver.

18 (c) NOTICE IN APPLICATIONS.—It is the sense of  
19 Congress that any United States person or firm subject  
20 to an investigation described in subsection (a) that sub-  
21 mits to the United States an application for the export  
22 of a commercial satellite should include in the application  
23 a notice of the investigation.

24 (d) PROTECTION OF CLASSIFIED AND OTHER SEN-  
25 SITIVE INFORMATION.—The Senate and the House of

1 Representatives shall each establish, by rule or resolution  
2 of such House, procedures to protect from unauthorized  
3 disclosure classified information, information relating to  
4 intelligence sources and methods, and sensitive law en-  
5 forcement information that is furnished to Congress pur-  
6 suant to this section.

7 (e) EXCEPTION.—The requirements of subsections  
8 (a) and (b) shall not apply if the President determines  
9 that notification of Congress would jeopardize an on-going  
10 criminal investigation. If the President makes such a de-  
11 termination he shall provide written notification to the  
12 Majority Leader of the Senate, the Minority Leader of the  
13 Senate, the Speaker of the House of Representatives and  
14 the Minority Leader of the House of Representatives.  
15 Such notification shall include a justification for any such  
16 determination.

17 **SEC. 1070. ENHANCEMENT OF ACTIVITIES OF DEFENSE**  
18 **THREAT REDUCTION AGENCY.**

19 (a) IN GENERAL.—Not later than 180 days after the  
20 date of the enactment of this Act, the Secretary of Defense  
21 shall prescribe regulations—

22 (1) to authorize the personnel of the Defense  
23 Threat Reduction Agency (DTRA) who monitor sat-  
24 ellite launch campaigns overseas to suspend such  
25 campaigns at any time if the suspension is required

1 for purposes of the national security of the United  
2 States;

3 (2) to establish appropriate professional and  
4 technical qualifications for such personnel;

5 (3) to allocate funds and other resources to the  
6 Agency at levels sufficient to prevent any shortfalls  
7 in the number of such personnel;

8 (4) to establish mechanisms in accordance with  
9 the provisions of section 1514(a)(2)(A) of the Strom  
10 Thurmond National Defense Authorization Act for  
11 Fiscal Year 1999 (Public Law 105–261; 112 Stat.  
12 2175; 22 U.S.C. 2778 note) that provide for—

13 (A) the allocation to the Agency, in ad-  
14 vance of a launch campaign, of an amount  
15 equal to the amount estimated to be required by  
16 the Agency to monitor the launch campaign;  
17 and

18 (B) the reimbursement of the Department,  
19 at the end of a launch campaign, for amounts  
20 expended by the Agency in monitoring the  
21 launch campaign;

22 (5) to establish a formal technology training  
23 program for personnel of the Agency who monitor  
24 satellite launch campaigns overseas, including a

1 structured framework for providing training in areas  
2 of export control laws;

3 (6) to review and improve guidelines on the  
4 scope of permissible discussions with foreign persons  
5 regarding technology and technical information, in-  
6 cluding the technology and technical information  
7 that should not be included in such discussions;

8 (7) to provide, on at least an annual basis,  
9 briefings to the officers and employees of United  
10 States commercial satellite entities on United States  
11 export license standards, guidelines, and restrictions,  
12 and encourage such officers and employees to par-  
13 ticipate in such briefings;

14 (8) to establish a system for—

15 (A) the preparation and filing by personnel  
16 of the Agency who monitor satellite launch cam-  
17 paigns overseas of detailed reports of all activi-  
18 ties observed by such personnel in the course of  
19 monitoring such campaigns;

20 (B) the systematic archiving of reports  
21 filed under subparagraph (A); and

22 (C) the preservation of such reports in ac-  
23 cordance with applicable laws; and

1           (9) to establish a counterintelligence program  
2       within the Agency as part of its satellite launch  
3       monitoring program.

4       (b) ANNUAL REPORT ON IMPLEMENTATION OF SAT-  
5       ELLITE TECHNOLOGY SAFEGUARDS.—(1) The Secretary  
6       of Defense and the Secretary of State shall each submit  
7       to Congress each year, as part of the annual report for  
8       that year under section 1514(a)(8) of the Strom Thur-  
9       mond National Defense Authorization Act for Fiscal Year  
10      1999, the following:

11           (A) A summary of the satellite launch cam-

13      fense Threat Reduction Agency during the preceding  
14      year.

19      other resources dedicated to the satellite launch  
20      monitoring program of the Agency during that year.

21           (D) An assessment of the record of United  
22      States satellite makers in cooperating with Agency  
23      monitors, and in complying with United States ex-  
24      port control laws, during that year.

1       (2) Each report under paragraph (1) shall be sub-  
2       mitted in classified form and unclassified form.

3       **SEC. 1071. IMPROVEMENT OF LICENSING ACTIVITIES BY**  
4       **THE DEPARTMENT OF STATE.**

5       Not later than 180 days after the date of the enact-  
6       ment of this Act, the Secretary of State shall prescribe  
7       regulations to provide, consistent with the need to protect  
8       classified, law enforcement, or other sensitive information,  
9       timely notice to the manufacturer of a commercial satellite  
10      of United States origin of the reasons for a denial or ap-  
11      proval with conditions, as the case may be, of the applica-  
12      tion for license involving the overseas launch of such sat-  
13      ellite.

14      **SEC. 1072. ENHANCEMENT OF INTELLIGENCE COMMUNITY**  
15      **ACTIVITIES.**

16      (a) CONSULTATION WITH DCI.—The Secretary of  
17      State and Secretary of Defense shall consult with the Di-  
18      rector of Central Intelligence throughout the review of an  
19      application for a license involving the overseas launch of  
20      a commercial satellite of United States origin in order to  
21      assure that the launch of the satellite, if the license is ap-  
22      proved, will meet any requirements necessary to protect  
23      the national security interests of the United States.

24      (b) ADVISORY GROUP.—The Director of Central In-  
25      telligence shall establish within the intelligence community

1 an advisory group to provide information and analysis to  
 2 Congress upon request, and to appropriate departments

1 **SEC. 1077. DISENGAGING FROM NONCRITICAL OVERSEAS**  
2 **MISSIONS INVOLVING UNITED STATES COM-**  
3 **BAT FORCES.**

4 (a) FINDINGS.—Congress makes the following find-  
5 ings:

6 (1) It is the National Security Strategy of the  
7 United States to “deter and defeat large-scale,  
8 cross-border aggression in two distant theaters in  
9 overlapping time frames”.

10 (2) The deterrence of Iraq and Iran in South-  
11 west Asia and the deterrence of North Korea in  
12 Northeast Asia represent two such potential large-  
13 scale, cross-border theater requirements.

14 (3) The United States has 120,000 troops per-  
15 manently assigned to those theaters.

16 (4) The United States has an additional 70,000  
17 forces assigned to non-NATO/non-Pacific threat for-  
18 eign countries.

19 (5) The United States has more than 6,000  
20 troops in Bosnia-Herzegovina on indefinite assign-  
21 ment.

22 (6) The United States has diverted permanently  
23 assigned resources from other theaters to support  
24 operations in the Balkans.

25 (7) The United States provides military forces  
26 to seven active United Nations peacekeeping oper-

1 ations, including some missions that have continued  
2 for decades.

3 (8) Between 1986 and 1998, the number of  
4 American military deployments per year has nearly  
5 tripled at the same time the Department of Defense  
6 budget has been reduced in real terms by 38 per-  
7 cent.

8 (9) The Army has 10 active-duty divisions  
9 today, down from 18 in 1991, while on an average  
10 day in fiscal year 1998, 28,000 United States Army  
11 soldiers were deployed to more than 70 countries for  
12 over 300 separate missions.

13 (10) Active Air Force fighter wings have gone  
14 from 22 to 13 since 1991, while 70 percent of air  
15 sorties in Operation Allied Force over the Balkans  
16 are United States-flown and the Air Force continues  
17 to enforce northern and southern no-fly zones in  
18 Iraq. In response, the Air Force has initiated a  
19 “stop loss” program to block normal retirements  
20 and separations.

21 (11) The United States Navy has been reduced  
22 in size to 339 ships, its lowest level since 1938, ne-  
23 cessitating the redeployment of the only overseas  
24 homeported aircraft carrier from the Western Pacific

1 to the Mediterranean to support Operation Allied  
2 Force.

3 (12) In 1998 just 10 percent of eligible carrier  
4 naval aviators—27 out of 261—accepted continu-  
5 ation bonuses and remained in service.

6 (13) In 1998 48 percent of Air Force pilots eli-  
7 gible for continuation opted to leave the service.

8 (14) The Army could fall 6,000 below Congres-  
9 sionally authorized troop strength by the end of  
10 1999.

11 (b) SENSE OF CONGRESS.—It is the sense of Con-  
12 gress that:

13 (1) The readiness of United States military  
14 forces to execute the National Security Strategy of  
15 the United States is being eroded from a combina-  
16 tion of declining defense budgets and expanded mis-  
17 sions.

18 (2) There may be missions to which the United  
19 States is contributing Armed Forces from which the  
20 United States can begin disengaging.

21 (c) REPORT REQUIREMENT.—Not later than March  
22 1, 2000, the President shall submit to the Committee on  
23 Armed Services of the Senate and the Committee on Na-  
24 tional Security of the House of Representatives, and to  
25 the Committees on Appropriations in both Houses, a re-

1 port prioritizing the ongoing global missions to which the  
2 United States is contributing troops. The President shall  
3 include in the report a feasibility analysis of how the  
4 United States can—

5 (1) shift resources from low priority missions in  
6 support of higher priority missions;

7 (2) consolidate or reduce United States troop  
8 commitments worldwide;

9 (3) end low priority missions.

22          section (d) after “Secretary of Defense,”;

19 launch service providers if the Government of the  
20 Russian Federation demonstrates a sustained com-  
21 mitment to seek out and prevent the illegal transfer  
22 from Russia to Iran or any other country of any  
23 prohibited ballistic missile equipment or any tech-  
24 nology necessary for the acquisition or development  
25 by the recipient country of any ballistic missile;

1           (2) the United States should demand full and

15 a scientific or business contact in any way associated with  
16 or related to weapons of mass destruction with a rep-  
17 resentative of a country of proliferation concern.

18 (B) For purposes of this paragraph, the term “coun-  
19 try of proliferation concern” means any country so des-

7 (ii) That activities under the projects are not  
8 redirected toward work relating to weapons of mass  
9 destruction.

10 (iii) That the national security interests of the  
11 United States are otherwise fully considered before  
12 the commencement of the projects.

13 (B) Not later than 30 days after the date on which

2 the project.

3 (6) It is the sense of Congress that the President  
4 should enter into negotiations with the Russian Govern-  
5 ment for purposes of concluding an agreement between the  
6 United States Government and the Russian Government  
7 to provide for the permanent exemption from taxation by

18 (1), amounts authorized to be appropriated by this title  
19 for the Nuclear Cities Initiative may not be obligated or  
20 expended for purposes of providing assistance under the

22 two serial production facilities, in Russia in fiscal year  
23 2000.

24 (3)(A) The Secretary shall conduct a study of the po-  
25 tential economic effects of each commercial program pro-

1 posed under the Nuclear Cities Initiative before providing  
2 assistance for the conduct of the program. The study shall  
3 include an assessment regarding whether or not the mech-  
4 anisms for job creation under the program are likely to  
5 lead to the creation of the jobs intended to be created by  
6 the program.

7 (B) If the Secretary determines as a result of the
